Parents in Partnership Questionnaire

Dear Parents and Carers,

Parents and carers already play a vital part in supporting students at Beechen Cliff and we would like to invite you in to help by develop their learning about the world of work. Through your involvement, support and personal experience, we feel students will be able to gain a greater awareness and understanding about the careers and opportunities open to them in the future, helping to broaden horizons and raise aspirations.

We would appreciate it if you could fill in the following questionnaire, which is designed to help us to build a database of possible offers of help. Completing the questionnaire does not commit you to take part but we would like to then contact you in the future with the possibility of coming into school to talk to students. Please don't be shy, we are not asking for presentations to hundreds of students – it may be as simple as a coffee and chat with a small group who are genuinely interested in what you do. Contributions from the wider community, however small, can make a huge difference. Thank you very much for your support.

Yours sincerely,

Mrs Clare Jones
